Orlando, FL 32837

To Whom It May Concern:

I highly recommend James "Bo" Williamson, Founder of Noble Public Adjusting Group, for any residential, commercial claim representation, insurance appraisal and umpiring services, expert witness and mediation services, loss estimating, and free expert property inspections and consultations.

Mr. Williamson is a prestigious **Certified Public Adjuster Member** with the National Insurance Restoration Council [NIRC]. It is a very high honor to be a part of our accredited group. The NIRC recognizes Noble Public Adjusting Group for their reputation, commitment to stellar customer service, and community contribution.

The NIRC Vetted Member Network provides membership to only the **best-of-the-best** in the industry. NIRC membership only certifies the most experienced companies who practice ethics, superior services and customer service. NIRC certified members go through an extensive background check through 3rd party Global Risk Management Solutions to become members of the NIRC *Diamond Standard* code of business. We are proud to have this esteemed company in our vetted member network.

Vetted and certified NIRC Members carry a strict code of professional conduct, are dedicated to advancing the insurance restoration industry, and give back to communities in storm damaged areas. NIRC Members pave the way to lead fair and accurate practices, advocacy and ethics in the insurance restoration industry. The NIRC Vetted Member Network is comprised of reputable, expert industry professionals throughout the nation.
